"I have been a client for quite some time and the application has really helped improve communication at our club. Furthermore, the service and support has been outstanding."

Mike Meckes – General Manager

- **Clovernook Country Club** (513) 521-0333

"We have utilized an interactive web site for the past 4 years. It has been a tremendous success for our club. The participation on our site is so high, that we have eliminated our printed newsletter. Furthermore, the Flexscape application saved us an enormous amount of time and money by doing our annual member survey all electronically."

Ron Townsend – President

- **Four Bridges Country Club** (513) 759-4620

"The Flexscape content management application is exactly what we have been looking for. This helps us to compete with other agencies because we have a very strong content management application that is priced so no other agencies can compete."

Peter Schwartz – CEO/President

- **Bridge Worldwide** (513) 381-1380
